

# Mad Pursuit

Junkie XL

Run don't break  
Aiming for the heart  
Dull headache  
This is just the start of a mad pursuit

Chasing down the telephone wire  
Racing down the road you can't lose her

You'll try to skip town  
(she'll find you)  
Track you like a hound  
(behind you)  
Recklessly in pursuit of you

Catch you on the fly  
(you're racing)  
She knows you're her guy  
(fast pacing)  
Recklessly in pursuit of you

Closing in  
See her in the mirror  
Here it goes again  
The objects closer than it appears to be

Burn the clutch of your getaway car  
Drive like that and you won't get too far

You'll try to skip town  
(she'll find you)  
Track you like a hound  
(behind you)  
Recklessly in pursuit of you

Catch you on the fly  
(you're racing)  
She knows you're her guy  
(fast pacing)  
Recklessly in pursuit of you

Watch out!  
Behind you!  
Hot on the heels of love....

Crash and burn  
This will be your fate  
No U-turn  
You just lost control of a mad pursuit

Chasing down the telephone wire  
Racing down the road you can't lose her

You'll try to skip town  
(she'll find you)  
Track you like a hound  
(behind you)  
Recklessly in pursuit of you

Catch you on the fly  
(you're racing)  
She knows you're her guy  
(fast pacing)  
Recklessly in pursuit of you
