There's only one world. Everyone is a comrade.
But the world can never be as one.

The government and the era will keep changing.
The war will not go away. Nothing is absolute.

Heaven. Decide. Dare o shinji utagau no ka
Hell. Rage Kage ni kieru shisō no naka de

Justice can not win. Authority is everything.
There is no way out in the darkness.

Nobody wishes for an ugly war.
Fear. Shout. Grief. Hatred. Gun. Death. God. In chaos.

Alive. Face. Akui shiyoku ayatsura rete
Dead. Core Akaku somaru mujō no sora

Arasoi ai gisei de jidai o kae habikoru nageki ga
Nidoto kurikaesu koto no nai yō ni inori todoke

Curse. Mortal. Yami to higeki keshi saru tame
Against. Force. Fukaku kizami narihibiita

Umarekawaru sekai ni towa no idea sukuwa reshi kokoro
Subete no jinrui ga nozomu jidai e saa michibike
