

Let's Get Really Honest

Just Jack

Don't take me for a fool
Because I'm not the foolish kind
Well if you had a sledge hammer
You still couldn't break my mind
Well if I'm honest with myself baby
I've gotta say
That you've got something about you
But please don't think for a minute
Lady
I couldn't get along fine without you

In my life
Oh yeah
She was in my life
And now she's out of my life
Nothing but strife
So I don't mind

Don't take me for a fool
Because I'm not that kind of man
There are rules we try to follow
But I guess you would not understand
Well if I'm honest with myself baby
I've gotta say
That you've got something about you
But please don't think for a minute
Lady
I couldn't get along fine without you

Everything has to end
I guess this was no exception
We were gonna have to break connection
