

# Symphony Of Sirens

Just Jack

Your two eyes they speak to me  
Special treats and delicacies  
In your velvet corridors  
Sticky walls and sugar floors

Your fingers they speak to me  
Butterfly wings on a slender tree  
You can take a walk down my avenue  
Sorbet sunshine melting through

There's a symphony of sirens in the air  
Tiny diamonds fall like rain upon your hair  
Got feeling completely beyond compare  
And I don't care, no I don't care

You're the kinda girl I dreamt about  
But I had to do without  
Now I'm simply ravenous  
I just need a little push

Your mouth it speaks to me  
Flicking tongues so sneakily  
I don't want this night to end  
Close my eyes and count to ten  
1-2-3-4-5-6-7-8-9-10

There's a symphony of sirens in the air  
Tiny diamonds fall like rain upon your hair  
Got feeling completely beyond compare  
And I don't care, no I don't care

My girl she's luminous  
She gives me such a rush  
Feels like a teenage crush  
But I just can't get enough  
My girls a genius  
She knows all kind of stuff  
Feels like my head might bust  
But I just can't get enough

There's a symphony of sirens in the air  
Tiny diamonds fall like rain upon your hair  
Got feeling completely beyond compare  
And I don't care, no I don't care
