That's right, I'm on that shit  
(I'm on it)  
And it's about to go go down  
All night, we ain't gon' quit  
And all I need is a few more chicks  
(Let's go)

Yeah, ladies we drop it  
So no man is hot in it  
And we got money  
To blow oh oh  
The party is rockin'  
The whole crew is poppin'  
We own this, we got this  
Let's go oh oh

Callin' all sexy girls  
All around the world  
Look at that aeroplane fly  
Up on cloud nine  
Damn you so sexy ooh  
And the things you do  
Drive me out of my mi-mi-mind  
And the party goes boom boom boom

New York to Cali  
London, Miami  
Them girls be slammin'  
And the party goes boom boom boom  
Rio, Dubai  
Moscow, Mumbai  
So sexy fly

No wings, but you still fly  
If you got a man tell him bye bye bye
