All the girl think their sweet  
Swing your hips to the beat  
In the club from the street  
And you know we're all in deep

It's getting crazy (aye aye)  
And we aint stoppin now  
The walls are shakin (aye aye)  
And the roof in comin down

It's time to let go  
So lets get it started  
Get crazy on the dance floor
