

## Que Sera

Justice Crew

At the end of the day  
Some you win, some you don't  
So I'm glad that I'm here  
With some friends that I know  
Always there with a smile  
Saying you're not alone  
Singing la la la la  
Que sera

(Here we go, yo)  
Yesterday is history (oh)  
You gotta get through it  
Tomorrow is a mystery  
So let's just do it

And even when the rain falls  
You and I will stand tall  
No matter what you go through  
I'll never leave you

So you gotta be strong (strong)  
Live by the words of the song (song)  
Together is where we belong (long)  
Never stop dreaming  
Keep holding on

At the end of the day  
Some you win, some you don't  
So I'm glad that I'm here  
With some friends that I know  
Always there with a smile  
Saying you're not alone  
Singing la la la la  
Que sera

When it's been a long day  
Had enough, given up, it ain't okay  
We don't care what the world say  
We spread love it's the only way

So you gotta be strong (strong)  
Live by the words of the song (song)  
Together is where we belong (long)  
Never stop dreaming  
Keep holding on

At the end of the day  
Some you win, some you don't

With some friends that I know  
Always there with a smile  
Saying you're not alone  
Singing la la la la  
Que sera

We keep falling, but the world keeps spinning  
And I might stop winning, just as long as I got you by my side

We keep falling, but the world keeps spinning  
And I might stop winning, but I know that we're gonna be alright

At the end of the day  
Some you win, some you don't  
So I'm glad that I'm here  
With some friends that I know  
Always there with a smile  
Saying you're not alone  
Singing la la la la
