

# All I Want Is You

Justin Bieber

Sitting here, all alone  
Watching the snow fall  
Looking back at the days  
We threw them snow balls  
I can't believe  
I'm putting the tree up by myself  
I need you  
And nobody else

And I'm sorry  
If I pushed you away  
Cause I need you here  
And I want for you to know

And I don't care, if I don't get anything  
All I need is you here right now  
And I'm sorry if I hurt you  
But I know that all I want is you  
This christmas, this christmas, this christmas  
All I want is you  
This christmas (I'm sorry),  
This christmas (if I hurt you),  
This christmas (but I know that),  
All I want is you this christmas

And I never wanna do this alone  
Baby I just need you to be here  
Here through the holidays  
I just wanna know if you feel same way  
Because I'm lonely baby  
Want you to hold me baby

And I'm sorry  
If I pushed you away  
I just want you to know I miss you  
And I want you to stay

And I don't care, if I don't get anything  
All I need is you here right now  
And I'm sorry if I hurt you  
But I know that all I want is you  
This christmas, this christmas, this christmas  
All I want is you  
This christmas (I'm sorry),  
This christmas (if I hurt you),  
This christmas (but I know that),  
All I want is you this christmas

Wrapping gifts without you babe  
Is like mid-December and there's no cold  
I can't do this on my own  
I've changed my ways  
Keep running back and forth again  
I'm here to stay

And I don't care, if I don't get anything  
All I need is you here right now

And I'm sorry if I hurt you  
But I know that all I want is you  
This christmas, this christmas, this christmas  
All I want is you  
This christmas (I'm sorry),  
This christmas (if I hurt you),  
This christmas (but I know that),  
All I want is you this christmas
