

# All That Matters

Justin Bieber

Uh-oh, just as sure as the stars in the sky  
I need you to shine in the life  
Not just for the meanwhile, for a long long time,  
better believe it

Uh-oh, whenever you're not in my presence  
It feels like I'm missing my blessings, yeah  
So I sleep through the daylight, stay awake all night,  
till you back again, yeah, yeah

You think I'm biased, to my significant other  
You hit it right on the head, only been missing my lover

Got a whole lot of texts in my phone and I don't reply,  
but the next day bothers you, I

You're all that matters to me, yeah yeah, ain't worry about nobody else  
If I ain't with you, I'm with myself, you make me complete  
You're all that matters to me, yeah, yeah,  
what's a king bed without a queen  
There ain't no "I" in team, you make me complete,  
you're all that matters to me

Take the keys out the car it won't drive,  
that's how I feel when you're not by my side  
When I wake up in the morning up under you, and only you

Uh-oh, I'm grateful for your existence,  
faithful no matter the distance  
You're the only girl I see, from the bottom of my heart please believe

You're all that matters to me, yeah yeah,  
ain't worry about nobody else  
If I ain't with you, I'm with myself, you make me complete  
You're all that matters to me, yeah, yeah,  
what's a king bed without a queen  
There ain't no "I" in team, you make me complete,  
you're all that matters to me

Yeah, yeah, yeah, yeah, you're all that matters to me  
Yeah, yeah, yeah, yeah, you're all that matters to me
