

As Long as You Love Me

Justin Bieber

As long as you love me
As long as you love me
As long as you love me

1. I'm under pressure, seven billion people in the world trying to fit in

Keep it together, smile on your face even though your heart is drowning

But hey now, you know girl, we both know it's a cruel world
But I will take my chances

R: As long as you love me...

2. I'll be your soldier, fighting every second of the day for the change girl

I'll be your Hova, You can be my Destiny's Child on a stinger
So don't stress, don't cry, we don't need no wings to fly
Just take my hand

R: As long as you love me...

*: I don't know if this makes sense, but you're my hallelujah

Give me a time and place, and I'll rendezvous, and I'll fly you to it,

I'll beat ya there

Girl you know I got you

Us, trust...

A couple of things I can't spell without you

Now we are on top of the world, 'cause that's just how we do

Used to tell me sky's the limit, now the sky's is our point of view

Man now we stepping out like wow (Oh God)

Camera's pointed shoot,

Ask me what's my best side, I stand back and point at you

You, you the one that I argue with, I feel like I need a new girl to be bothered,

But the grass ain't always greener on the other side,

It's green where you water it

So I know we got issues baby true true true

But I'd rather work on this with you

Than to go ahead and start with someone new

As long as you love me

R: As long as you love me...
