

Children

Justin Bieber

What about the children?
Look at all the children we can change
What about a vision?
Be a visionary for a change

We're the generation...
Who's gonna be the one to fight for it?
We're the inspiration...
Do you believe enough to die for it?

Who's got the heart
Who's got it?
Who's heart is the biggest
Wear it on your sleeve
Yeah we can make a difference
Who's got the heart?
Who's got it?
Who's heart is the biggest
Wear it on your sleeve
Yeah we can make a difference
