

# Common Denominator

Justin Bieber

Just a fraction of your love fills the air  
And I fall in love with you  
All over again, oh  
You're the light that feeds the sun  
In my world  
I'd face a thousand years of pain for my girl  
Out of all the things in life that i could fear  
The only thing that would hurt me, uh  
Is if you weren't here, oh

[Chorus:]

I don't wanna go back to just being one half of the equation  
Do you understand what I'm sayin'?  
Girl, without you I'm lost  
Can't fix this compass at heart  
Between me and love,  
You're the common denominator  
Oh, oh , oh, oh  
Common denominator  
Oh, yeah, whoa

Before your love was low  
Playing girls was my high  
You changed the game  
Now I put my card to the side, ay  
When broken hearts rise up to say, "Love is a lie"  
You and I would stand to be love's reply, yeah

Out of all things in life that I could fear, yeah  
The only thing that would hurt me is if you weren't here, whoa

[Chorus]

I can't imagine life without your touch,  
And every kiss that you give,  
You fill me up  
And through all the heart achin'  
Jealous females hatin'

I'm gonna hold it down for you  
You, whoa, oh, whoa  
You're the common denominator  
Oh yeah whoa

I don't wanna to go back...

[Chorus]

Just a fraction of your love fills the air  
And I fall in love with you all over again, yeah
