

# Down to Earth

Justin Bieber

I never thought that it'd be easy  
Cause we both so distant now  
And the walls are closing in on us  
And we're wondering how  
No one has a solid answer  
But just walking in the dark  
And you can see the look on my face  
It just tears me apart

[Bridge:]

So we fight (so we fight) through the hurt (through the hurt)  
And we cry and cry and cry and cry  
And we live (and we live) and we learn (and we learn)  
And we try and try and try and try

[Chorus:]

So it's up to you and it's up to me  
That we meet in the middle on our way back down to Earth  
Down to Earth, down to Earth  
On our way back down to Earth  
Back down to Earth, back down to Earth, back down to Earth, back down to Earth,  
Back down to Earth, back down to Earth, back down to Earth, back down to Earth

Momma you were always somewhere  
And daddy I live out of town  
So tell me how could I ever be normal somehow?  
You tell me this is for the best  
So tell me why am I in tears?  
(Whoa) So far away, and now I just need you here

[Bridge]

[Chorus]

We fell so far away from where we used to be  
Now we're standing and where do we go  
When there's no road to get to your heart  
Let's start over again

[Chorus]

Fell so far away  
From where we used to be  
And now we're standing  
And where do we go when there's no road  
To get to your heart  
So let's start over again

[Chorus]

I never thought it'd be easy  
Cause we both so distant now  
And the walls are closing in on us  
And we're wondering how
