One Love

Justin Bieber

Yeah, yeah, yeah, yeah

I won't let the night stand in my way I know what I want, I know what I get, yeah I'm only here to find you, you All I need is you by my side All I wanna do is lay down next to you

'Cause all I need is one love, one love, one heart 'Cause all I need is one love, one love, one heart Baby give it to me 'Cause I don't want-want nobody when I got-got your body Baby no no nobody has got what I need 'Cause I don't want-want nobody when I got-got your body Baby no no nobody has got what I need tonight

See I've made mistakes time after time, time, time But no not today, won't leave 'til I find what I'm looking for I'm only here to find you, you All I need is you by my side All I wanna do is dance under the moon

'Cause all I need is one love, one love, one heart 'Cause all I need is one love, one love, one heart Baby give it to me 'Cause I don't want-want nobody when I got-got your body Baby no no nobody has got what I need 'Cause I don't want-want nobody when I got-got your body Baby no no nobody has got what I need tonight

Your love is like a roller-coaster The way that you take my breath away It feels like I'm slowly falling deeper and deeper, deeper and deeper

'Cause all I need is one love, one love, one heart 'Cause all I need is one love, one love, one heart Baby give it to me 'Cause I don't want-want nobody when I got-got your body Baby no no nobody has got what I need 'Cause I don't want-want nobody when I got-got your body Baby no no nobody can give it to me 'Cause I don't want-want nobody when I got-got your body Baby no no nobody has got what I need 'Cause I don't want-want nobody when I got-got your body Baby no no nobody has got what I need
