

# Right Here

Justin Bieber

Baby, I'm here, I'm here to stay  
I ain't going nowhere  
I know you're scared cause you've been hurt  
Baby, it's alright  
Lost in your eyes every time that you look in mine  
I promise to be all that you need  
I won't leave you, baby  
No, cause I just wanna love you  
I would never ever put nobody up above you  
I just wanna kiss you baby, I just wanna hug you till the end, baby till the end

And I'm right here, ain't nobody gotta hold you  
Cause I'm right here, ain't nobody gon' control you  
Cause I'm right, right here  
Yeah  
I'm right here, I'm right here, I'm right here, I'm right here  
Yeah

Right here, right here, yeah  
Right here, right here, yeah

[Drake:]  
Say you'll be mine, say we'll be fine  
Say we'll be together  
Selfish of me to ask since I be the reason we don't last forever  
Wish that you knew all that I do to make this thing go right  
Promise to be all that you need  
I won't leave you, baby  
No cause I just wanna love you  
I would never ever put nobody else above you  
I just wanna kiss you baby, I just wanna hug you till the end, baby till the end

And I'm right here, ain't nobody gotta hold you  
Cause I'm right here, ain't nobody gon' control you  
Cause I'm right, right here  
Yeah  
I'm right here, I'm right here, I'm right here, I'm right here  
Yeah

Right here, right here, yeah  
Right here, right here, yeah

[Drake:]  
And I say, good girl got her mind right  
She been raised right, being patient, I know you waiting  
Waiting on a good thing, when the time's right  
You should let me get to know you, baby

I just wanna put it on you  
If you want to, baby, tell me what you gon' do, girl  
I can make you feel perfect, girl you're worth it  
I just need to see you work it, girl

And I'm right here, ain't nobody gotta hold you  
Cause I'm right here, ain't nobody gon' control you

Cause I'm right, right here

Yeah

I'm right here, I'm right here, I'm right here, I'm right here

Yeah

Right here, right here, yeah

Right here, right here, yeah

Right here, right here, yeah, yeah, yeah, oh, oh, yeah
