

Take You

Justin Bieber

Hey, what's the situation, whoa?
I'm just tryna make a little conversation,
Why the hesitation, whoa?
Tell me what your name is? For your information,

Don't get me wrong
You know you're right,
Don't be so cold,
We could be fire
Tomorrow we go,
Let's start tonight
You know what it's all about

I can take you out, I can take you home
I can take you oh-oh-oh where you wanna go
I can pick it up, we could take it slow
I can take you home
I can take you out, I can take you home
I can take you oh-oh-oh where you wanna go
I can pick it up, we could take it slow
I can take you home

I might have a reputation, oh oh,
But there's only me and you in this equation
Promise this occasion, oh oh,
It's a different situation
For your information,

Don't get me wrong
You know it's right,
Don't be so cold,
We could be fire
Tomorrow we go,
Let's start tonight (tonight)
You know what it's all about

I can take you out, I can take you home
I can take you oh-oh-oh where you wanna go
I can pick it up, we could take it slow
I can take you home
I can take you out, I can take you home
I can take you oh-oh-oh where you wanna go
I can pick it up, we could take it slow
I can take you home

I can take you out, I can take you home
I can take you out, I can take you home

Baby, señorita, ma chérie, please be my little lady, my little lady
Mi amor, you're the one I adore, come on be my little lady, my little lady
Baby, señorita, ma chérie, please be my little lady, my little lady
