The Feeling

Justin Bieber

You are to me A part of me just like anatomy You're pulling me You're pulling me in like you're gravity I'm notorious for thinking you're full of beautiful Instead of hollow Sugar on your lips, it's hard to kill Jagged like a pill, so hard to swallow Am I in love with you? Am I in love with you? Or am I in love with the feeling? Trying to find the truth, trying to find the truth Sometimes the heart is deceiving Can't get out of my head, and I need you to save me If I am delusional then maybe I'm crazy In love with you, am I in love with you? Or am I in love with the feeling? You give to me Everything, anything that I could dream And at least that's what it seems Could it be I don't know what's good for me? I'm notorious for thinking you're full of beautiful Instead of hollow Sugar on your lips, it's hard to kill Jagged like a pill, so hard to swallow Am I in love with you? Am I in love with you? Or am I in love with the feeling? Trying to find the truth, trying to find the truth Sometimes the heart is deceiving Can't get out of my head, and I need you to save me If I am delusional then maybe I'm crazy In love with you, am I in love with you? Or am I in love with the feeling? I'm sinking faster and faster Between heaven and disaster Sorry if I made you feel like I'm standing on the borderline Am I in love with you? Am I in love with you? Or am I in love with the feeling? Trying to find the truth, trying to find the truth

Sometimes the heart is deceiving Can't get out of my head, and I need you to save me If I am delusional then maybe I'm crazy In love with you, am I in love with you? Or am I in love with the feeling?
