## **Thought of You**

## **Justin Bieber**

Girl I've been fooled by your smile
I was mistaken by the way you love me
We let it straight for a while, yeah
But you deceived me, you convinced me yeah

So clear to me now, can't explain what you're doing to me I did but I don't know how It's gon' take some time But I'll figure it out

Why should we fight the feeling Let's just live in the moment Though it's infatuation I'm good with that

Cause I'm in love with the thought of you
With thought of you, with thought of you
I'm in love with the thought of you
All the things you do, with thought of you
Girl, I'm in love with the thought of you, you, you
Girl, I'm in love with the thought of you, you, you
Love with the thought of you

I felt victim to your style
It's so amazing, girl you're in your own league
Rather be stuck in denial, yeah
Than tryna be without you girl

So clear to me now, can't explain what you're doing to me I did but I don't know how It's gon' take some time But I'll figure it out

Why should we fight the feeling

Let's just live in the moment Though it's infatuation I'm good with that

Cause I'm in love with the thought of you
With thought of you, with thought of you
I'm in love with the thought of you
All the things you do, with thought of you
Girl, I'm in love with the thought of you, you, you
Girl, I'm in love with the thought of you, you, you
Girl, I'm in love with the thought of you, you, you
Girl, I'm in love with the thought of you, you, you

So clear to me now, can't explain what you're doing to me I did but I don't know how It's gon' take some time But I'll figure it out

Why should we fight the feeling Let's just live in the moment Though it's infatuation I'm good with that Cause I'm in love with the thought of you With thought of you, with thought of you I'm in love with the thought of you All the things you do, with thought of you

You-hoo-hoo, you-hoo-hoo
Girl, I'm in love with the thought of you, you, you
Girl, I'm in love with the thought of you
All the things you do, with thought of you
You-hoo-hoo, you-hoo-hoo
Girl, I'm in love with the thought of you
