

# Chasing Fire

Justin Garner

(Verse)

World knows I'd rather take a bullet  
Than to feel like I don't have what love has given  
If I had a million dollars  
For every time I that I thought it would let go

(Chorus)

'Cause I'm chasing fire  
All this hurt has burned my heart's desire  
'Cause I'm chasing fire  
If I stay in love when you're not  
Then it hurts to know that I'm chasing fire, fire, fire  
Fire, fire, fire

(Verse)

Can nobody tell me this is love?  
When we barely speak and our hearts go in love

(Chorus)

'Cause I'm chasing fire  
But all this hurt has burned my heart's desire  
'Cause I'm chasing fire  
If I stay in love when you're not  
It hurts to know that I'm chasing fire, fire, fire  
Fire, fire, fire

I'm chasing...

(Chorus)

'Cause I'm chasing fire  
All this hurt has burned my heart's desire  
'Cause I'm chasing fire  
If I stay in love when you're not  
It hurts to know that I'm chasing fire, fire, fire  
Fire, fire, fire

I'm chasing fire, fire, fire  
Fire, fire, fire
