

Open Heart

Justin Garner

It's been 48 hours since I heard you say that you've given up on this
love of our's
You said that you been here before, you can't take no more...countles
s mistakes, yeah
I didn't wanna do it, take away your trust and starting over, never c
ould you do it
And ooh, now I'm sitting here with a broken heart
Can somebody replace it?
I need another version of you

I don't know the reason why, so many times I made you cry
If I could turn back the time, close my heart and hope to die
Cause I got this broken heart and I wish that I could glue it
Cause I got this open heart and you can see right through it
I'm feeling so hurt cause your love keeps cutting me deeper
I need a love that wins my heart

No, I can't stop my heart from bleeding
Can't think of all the reasons (Why) I deserved to hurt you girl
Could it be that I have changed, or going through some things?
Tell me what I gotta do to make this situation change
Cause the love that we used to have is playin in my brain
And the love that I had for you is causing so much pain
And ooh, I can feel it. It's tearing me apart
And ooh, taking me over - its tearing up my heart

I don't know the reason why, so many times I made you cry
If I could turn back the time, close my heart and hope to die
Cause I got this broken heart and I wish that I could glue it
Cause I got this open heart and you can see right through it
I'm feeling so hurt cause your love keeps cutting me deeper
I need a love that wins my heart

I can't go on without your love
I ain't goin, goin, goin, no further cause
Every step I take a second looking to see if you can see
I keep seekin', seekin', seekin'
I can't climb out and I'm drowning in sorrow
I just wanna wake up from this nightmare on tomorrow
With you, can't let you go

(2x)

I don't know the reason why, so many times I made you cry
If I could turn back the time, close my heart and hope to die
Cause I got this broken heart and I wish that I could glue it
Cause I got this open heart and you can see right through it
I'm feeling so hurt cause your love keeps cutting me deeper
I need a love that wins my heart
