

# Rebels

Justin Garner

I walk alone, I'm a rebel  
I can carry my own weight  
Shorty know I'm trouble  
Hold me down, I'll find a way

Some say I'm a bad ass  
Just because I want my way  
Got the world for the taking  
Better take it 'fore it's too late

Just gotta know if you're rolling with me  
Be by my side, take the passenger's seat  
Are you rolling with me?  
Are you cool with me?

Whatever you want, girl it is yours  
We can take it on  
No one to stop this love  
We can be two...  
Rebels (yea), rebels (yea), rebels  
We can be two...  
Rebels (yea), rebels (yea), yea
