Justin Garner

(Verse)

Through the fire
Can nobody stop me, I'mma be blazing
Through the wire
Don't come up

(Verse)

I commit my soul
Coming full speed, thousand miles an hour
Unstoppable
I won't get down

(Pre-Chorus)

One, one make you feel like you wanna make
Two, two, we can wonder why baby me and you
Three if you want it now tell me
And I be be what you need, hurry up and say
And all I do is
Clap it up, clap clap clap it up
Clap it up, clap clap clap it up

(Chorus)

Say baby
I be up all night
I make one wish on my life
I can't stop now
'Cus I'm warrior
Won't back down baby, I'm a warrior
Run for cover
I'm a warrior!
I'm a warrior, I I'm a warrior
I'm a warrior!
We are warriors, we we are warriors

(Verse)

Can nobody stop me
From getting what I want and what is all mine
You can join in
Shout out to the world now

(Verse)

We waited
Take over now, express it later
No time for haters
Think I'll run away

(Pre-Chorus)

One, one make you feel like you wanna make
Two, two, we can wonder why baby me and you
Three if you want it now tell me
And I be be what you need, hurry up and say
And all I do is
Clap it up, clap clap clap it up
Clap it up, clap clap clap it up

(Chorus)

Say baby

I be up all night
I make one wish on my life
I can't stop now
'Cus I'm warrior
Won't back down baby, I'm a warrior
Run for cover
I'm a warrior!
I'm a warrior, I I'm a warrior
I'm a warrior!
We are warriors, we we are warriors

I'm a warrior!

(Chorus)
Say baby
I be up all night
I make one wish on my life
I can't stop now
'Cus I'm warrior
Won't back down baby, I'm a warrior
Run for cover
I'm a warrior!
I'm a warrior!
