

When She Tells You

Justin Garner

(Verse)

Left your heart on the driveway
With no thought of coming back
It's my way or the highway
So glad but now I'm flyin free
Only one I cared about was me
I don't love you no more

(Bridge)

When she tells you she loves you
Believe her, believe me
Baby girl don't trust me
I don't deserve it, I don't deserve you

(Chorus)

Youuuuuuu
When she tells you
When she tells you
She loves you

(Verse)

Broken hearts - all we left with baby
'Cause your heart said I can't love you back
Deep in love with someone else
Wish I could give your time back
And now you crying late in the night
Saying that you want that girl
The other girl will gotta let me go

(Bridge)

When she tells you she loves you
Believe her, believe me
Baby girl don't trust me
I don't deserve it, I don't deserve you

(Chorus)

Youuuuuuu
When she tells you
When she tells you
She loves you

(Verse)

Tear it up, tear it up
All my photographs
Burnin up, burnin up
All my letters
Should be easy for you to forget me
I'm the wrong guy, you won't miss me

(Bridge)

When she tells you she loves you
Believe her, believe me
Baby girl don't trust me
I don't deserve it, I don't deserve you

(Chorus)

Youuuuuuu

When she tells you
When she tells you
She loves you

She loves you
