

I Dreamed Last Night

Justin Hayward

Oh, I dreamed last night
I was hearing, hearing your voice
And the things that you said
Well, they left me, left me no choice

And you told me we had the power
And you told me this was the hour
That you don't know how
If I could show you now

Well I dreamed last night
You were calling, calling my name
You were locked inside of you secrets
Calling my name

And you told me, lost, was the key
And you told me, how you long to be free
That you don't know how
Oh, let me show you now

Like a bird on a far distant mountain
Like a ship on an uncharted sea
You are lost in the arms, that have found you

Don't be afraid
Love's plans are made
Oh, don't be afraid

If there's a time and a place to begin love
It must be now
Let it go, set it free

Oh, I dreamed last night
I was hearing, hearing your voice
Why did you say those things
That have left me, left me no choice?

When you told me, we had the power
Why did you tell me, now, was the hour
But you don't know how
Oh, let me show you now

Like a bird on a far distant mountain
Like a ship on an uncharted sea
You are lost in the arms that have found you

Oh, don't be afraid
Love's plans are made
Don't be afraid

If there's a time and a place to begin love
It must be now
Let it go, set it free

Oh, I dreamed last night
I was hearing, hearing your voice
