

Take Your Chances

Justin Hayward

The secret that you keep
Is hidden way down deep
I see it in the window of your soul
I hear it in your voice
I feel it in your touch
The love that's in your heart you can control

So take your chances
Let's not pretend
Cause we may never
Pass this way again

The pleasures of the night
The darkness and the light
It's hard to see the writing on the wall
I hear it in your voice
I feel it in your touch
I see it through the window of your soul

So take your chances
Let's not pretend
Cause we may never
Pass this way again
