

Gray

Justin Nozuka

Stars of gray
Come take my soul away
I've lost my way
Come take my soul away
My soul away

Mountain of gray
Come take my soul away
I've lost my way
Come take my soul away
My soul away

Oh oh oh sun
Oh oh oh sun
Oh oh oh sun

My soul away
My soul away

Now take me
Now take me
My soul away
Take me please
My soul away
Take me
Take me
Cause I dont want to lose you
I dont want to lose you
