

# The Worst Case Scenario Survival Handbook

Justin Sane

You can..."Learn to escape from quicksand, hot-wire a car  
Survive an avalanche, fend off a shark  
Deliver a baby in a taxi cab  
Survive a poisonous snake attack  
Jump from a moving car, break down a door  
Escape from killer bees..." and so much more

"The Worst Case Scenario Survival Handbook  
The indispensable indestructible guide  
For surviving lives sudden turns of the...WORST!"

"Caution: Book will explode if scanned"  
Luckily, i bet the next edition will tell  
How to survive when a book explodes

You can..."Learn to survive if your parachute fails to open  
Identify a bomb, take a punch!  
Deal with a charging bull, win a sword fight  
Survive adrift at sea, treat frostbite  
Leap from a motorcycle to a car  
Wrestle free from an alligator."

"The Worst Case Scenario Survival Handbook  
The indispensable indestructible guide  
For surviving lives sudden turns of the...WORST!"
