Fighter

Justin Timberlake

(After all you put me through You'd think I'd despise you But in the end I wanna thank you 'Cause you made that much stronger)

Well I thought I knew you, thinkin' that you were true Guess I, I couldn't trust called your bluff time is up

'Cause I've had enough You were there by my side, always down for the ride But your joy ride just came down in flames cause your greed sold me out in shame mhm

After all of the stealing and cheating you probably think that I hold resentment for you But uh uh, oh no, you're wrong 'Cause if it wasn't for all that you tried to do, I wouldn't know just how capable I am to pull through So I want to say thank you Cause it

'Cause it makes me that much stronger Makes me work a little bit harder It makes me that much wiser So thanks for making me a fighter Made me learn a little bit faster Made my skin a little bit thicker Makes me that much smarter So thanks for making me a fighter

Oh, oh, oh, oh Ooh, yeah, oh

Never saw it coming, all of your backstabbing Just so you could cash in on a good thing before I'd realize your game I heard you're goin' round playin', the victim now But don't even begin feeling I'm the one to blame 'Cause you dug your own grave, mm

After all of the fights and the lies cause you're wanting to haunt me But that won't work anymore, no more, It's over 'Cause if it wasn't for all of your torture I wouldn't know how to be this way now and never back down So I want to say thank you Cause it

'Cause it makes me that much stronger

Makes me work a little bit harder It makes me that much wiser So thanks for making me a fighter Made me learn a little bit faster Made my skin a little bit thicker Makes me that much smarter So thanks for making me a fighter

How could this man I thought I knew Turn out to be unjust so cruel Could only see the good in you Pretended not to know the truth You tried to hide your lies, disguise yourself through Living in denial But in the end you'll see You won't stop me

I am a fighter (I'm a fighter) I ain't gonna stop (I ain't gonna stop) There is no turning back I've had enough

'Cause it makes me that much stronger Makes me work a little bit harder It makes me that much wiser So thanks for making me a fighter Made me learn a little bit faster Made my skin a little bit thicker Makes me that much smarter So thanks for making me a fighter

You thought I would forget, But I remember 'Cause I remember I remember

You thought I would forget, But I remember 'Cause I remember I remember

'Cause it makes me that much stronger Makes me work a little bit harder It makes me that much wiser So thanks for making me a fighter Made me learn a little bit faster Made my skin a little bit thicker Makes me that much smarter So thanks for making me a fighter
