

Losing My Way

Justin Timberlake

Yeah... Hum... Yeah... Uh... Excuse me

Hi my name is Bob and I work at my job
I make forty-something dollars a day
I used to be the man in my hometown
Until I started to lose my way
It all goes back to when I dropped out at school
Having fun, I was living the life
But now I got a problem with that little white rock
See I can't put down the pipe

And...

It is breaking me down
Watching the world spin round
While my dreams fall down
Is anybody out there?

It is breaking me down
No more friends around...
And my dreams fall down...
Is anybody out there?

Can anybody out there hear me?
'Cause I can't seem to hear myself
Can anybody out there see me?
'Cause I can't seem to see myself...
There's gotta be a heaven somewhere
Can you save me from this hell?
Can anybody out there feel me?
'Cause I can't seem to feel myself

Losing my way
Keep losing my way...
Keep losing my way...
Can you help me find my way?
Losing my way
Keep losing my way
Keep losing my way...
Can you help me find my way?

Now you gotta understand I was a family man
I would have done anything for my own
But I couldn't get a grip on my new found itch
So I ended up all alone
I remember where I was when I got my first buzz
See I thought I was living the life
And the craziest thing is I'll probably never know the color of my daughter's eyes

And it is breaking me down
Watching the world spin round
While my dreams fall down
Is anybody out there?

It is breaking me down
No more friends around...

And my dreams fall down...
Is anybody out there?

Can anybody out there hear me?
'Cause I can't seem to hear myself
Can anybody out there see me?
'Cause I can't seem to see myself
There's gotta be a heaven somewhere
Can you save me from this hell?
Can anybody out there feel me?
'Cause I can't seem to feel myself.

Losing my way
Keep losing my way
Keep losing my way
Can you help find my way?
Losing my way
Keep losing my way
Keep losing my way
Can you help me find my way?

Oh my God please forgive me (Father hear my prayer)
'Cause I know I've done some wrong in this life
If I could do it all again
Have just one more chance
To take all those wrongs and make them right

Can anybody out there hear me?
'Cause I can't seem to hear myself
Can anybody out there see me?
'Cause I can't seem to see myself
There's gotta be a heaven somewhere
Can you save me from this hell?
Can anybody out there feel me?
'Cause I can't seem to feel myself.

Can anybody out there hear me?
'Cause I can't seem to hear myself
Can anybody out there see me?
'Cause I can't seem to see myself
There's gotta be a heaven somewhere
Can you save me from this hell?
Can anybody out there feel me?
'Cause I can't seem to feel myself

Losing my way
Keep losing my way
Keep losing my way
Can you help me find my way?
Losing my way
Keep losing my way
Keep losing my way
Can you help me find my way?
