## Losing My Way

## **Justin Timberlake**

Yeah... Hum... Yeah... Uh... Excuse me

Hi my name is Bob and I work at my job I make forty-something dollars a day I used to be the man in my hometown Until I started to lose my way It all goes back to when I dropped out at school Having fun, I was living the life But now I got a problem with that little white rock See I can't put down the pipe

And...

It is breaking me down Watching the world spin round While my dreams fall down Is anybody out there?

It is breaking me down No more friends around... And my dreams fall down... Is anybody out there?

Can anybody out there hear me? 'Cause I can't seem to hear myself Can anybody out there see me? 'Cause I can't seem to see myself... There's gotta be a heaven somewhere Can you save me from this hell? Can anybody out there feel me? 'Cause I can't seem to feel myself

Losing my way Keep losing my way... Keep losing my way... Can you help me find my way? Losing my way Keep losing my way... Can you help me find my way?

Now you gotta understand I was a family man I would have done anything for my own But I couldn't get a grip on my new found itch So I ended up all alone I remember where I was when I got my first buzz See I thought I was living the life And the craziest thing is I'll probably never know the color of my daughter' s eyes

And it is breaking me down Watching the world spin round While my dreams fall down Is anybody out there?

It is breaking me down No more friends around... And my dreams fall down... Is anybody out there?

Can anybody out there hear me? 'Cause I can't seem to hear myself Can anybody out there see me? 'Cause I can't seem to see myself There's gotta be a heaven somewhere Can you save me from this hell? Can anybody out there feel me? 'Cause I can't seem to feel myself.

Losing my way Keep losing my way Keep losing my way Can you help find my way? Losing my way Keep losing my way Keep losing my way Can you help me find my way?

Oh my God please forgive me (Father hear my prayer) 'Cause I know I've done some wrong in this life If I could do it all again Have just one more chance To take all those wrongs and make them right

Can anybody out there hear me? 'Cause I can't seem to hear myself Can anybody out there see me? 'Cause I can't seem to see myself There's gotta be a heaven somewhere Can you save me from this hell? Can anybody out there feel me? 'Cause I can't seem to feel myself.

Can anybody out there hear me? 'Cause I can't seem to hear myself Can anybody out there see me? 'Cause I can't seem to see myself There's gotta be a heaven somewhere Can you save me from this hell? Can anybody out there feel me? 'Cause I can't seem to feel myself

Losing my way Keep losing my way Keep losing my way Can you help me find my way? Losing my way Keep losing my way Keep losing my way Can you help me find my way?
