

# Look The Other Way

Justin Townes Earle

Mama I'm hurtin' in the worst way  
I got no money in my pockets, got no place to stay  
And when I see you out in the streets,  
Never know what to say  
Ah but it doesn't matter mama, if you always look the other way  
.

Mama I'm searching every night and day  
I'm looking for the means to pay  
For all the wrongs that I've done, for the nights I left you al  
ong the way  
Ah but I'm always gonna owe you, if you always look the other w  
ay.

I've been a fool I know,  
I'm trying to find a way to show you  
That you're the only one, baby, the only one I'll ever want

So I'm learning, learning to be a better man  
I'm not certain but I think I can now  
But if I fall short just know  
I've done all I can do to change  
But you're never gonna notice if you always look the other way

Mama you're never gonna notice if you always look the other way  
.
