

Yeah!
Uh-Haw!
Uh-Haw!
Oh-ooohhh!
Yeah!
Uh-Haw!
Uh-Haw!

XChorusX

100% Real With Everything I Do,
I Make Shit Happen Every Time I Come Through
And That's On Everything, And That's On Everything
If I Ain't Already Did It Homie I'm About To
Haters Gon' Hate, I'mma Make It Without You
And That's On Everything!, And That's On Everything!

I'm Like Rocky Goin' Up The Phillly Steps, Faa-Daa-Daa-Daa-Daa!
To The Top, Nah-Nah-Naa-Nah-Nah-Naa-Naa!
I'm Sippin' Shun Dun, Until The Sun Done,
Don't Need Another One, But I'mma Pop Another One
Give You My Word That I'm More Gangsta Than The Worst Of 'Em
The Nerve Of 'Em, Get Credit For Murders, And Ain't Deserving 'Em
Put To The Curve On 'Em,???, Pick Up The ???
??? Making It Out the Magnolia Before I'm Serving 'Em
Niggas Talking 'Bout Taking My Paper, Won't Be The First Of 'Em
Only Receive These Teardrops, Is The Ones Who Getting Work With Em'
I Put My People On It, Pay Attention When I'm Working 'Em
Get In,Make Money, Then Wanna Get Out, And You Won't Have To be Hurting 'Em

Ya Dig, Hollin Bout My Business As A Kid ,And All Of Your Money There, Nigga
Well I Say That It Is
A Couple A Thousand Ain't Nothin' To Me I Spend That On Some Kicks,
And Everything You've Been Hustling For I Loose That On A Six
I Don't Wear Nothing But Hot Boy Colors And Talk That Old Hot Boy Shit,
And Only Hot Girls Out There Still Trying To Get That Old Hot Boy Dick
You Heard of Me Dirty, I Be Up Early With The Pigeons,
And Your Neighbors Be Up Wit Me To Listening Through The Kitchen
One Of The Pioneers, Gotta Bounce Sum Serious
I'm The Shit Around Here, I Been Out Here
Pull Out The Purple In The Wheels, Diamond Chains And The Grills
Women See Me And Get The Chills, Wanna Hang With The Real

They Done Got Me Back To My Mojo,
That's Gon' Be Mo' Dough,
I Bought The Motorbike Fast, I Bought The Porsche Slow
Got It Below Low ,Shhh ,Let Ya Folks No
I Make Them Dope Rows,
That Will Provoke Those
Cowards Who Scope Those,
I Got 'Em So Dro
I Know They Follow Me,
God Bless Them If They Bother Me
They Got A Problem With Me,
I Be Playin', I Can Understand It ,
