

When I'm alone in my room sometime I stare at the wall
Got my mind on my money, shit all I want it's to ball
See all on the phone with the back on my bone
...I represent one more... we open the clothes
In the hood I'mma a baler bitch I've been open in ...
Nigga open his mouth on me I will open the soul
Nigga open his a** for me I'mma open his hoers
...my mamma saw what ...and tell me baby ...

Try to smoke and stop stressing ...

And if this life it's a bitch I try to forget this expression
When I'm alone in my room sometime I stare at the wall
Got my mind on my money, shit all I want it's to ball
See all on the phone with the back on my bone
...I represent one more...
And together we see this stuff...
I got four raise to blaze ...on this motherf**ker...
All think you know 'bout me it's the ...
