

# Baby Come Back

K-Ci & JoJo

I was a fool to let you go  
Let you walk right out my door  
It was a bad mistake I made  
And i regret it to this day  
If I had a second chance  
Girl i promise I'd make it last  
So tonight I erase my pride  
If you let me back inside

Baby come back  
Baby come back to me  
I don't want to be free  
Baby come back to me  
Baby come back

Over and over I try to forget you  
But it seems too hard  
My feelings for you I can't disregard  
You're not my baby anymore baby  
All I want is to bring your love back baby  
It's not about sex baby  
You're the best lady  
Please have baby  
Forever my lady
