

Game Face

K-Ci & JoJo

Don't give me an inch
Cause I'll take it all now
Another style for you to hate
I sat up today, my style in the straight
And if you care to relate

No, you can't copy me
Cause I been changed
Stay in your lane
Remain with the straight
Don't you cross that line
You goin' out of your mind
I got that grind so don't you hate

You can judge me wrong
Don't leave home without my game face on
Got it goin' on
See my head is strong
Don't leave home without my game face on
Gotta keep it on

Try to play me wrong
Never forget you've got a game face on
Got it goin' on
When I wrote this song
Saw it in the mirror with my game face on
Got it goin' on

Got it keep it on
Stay true to the bone, freak of the moan
So where they goin'
Gotta be in the zone
No chaperons, no earphone
It's time to get it on

I don't know what you all be on
But got be strong
I'm about ready to move on
Like Fidel Castro or Al Capone, Jodeci
Everybody wants to go

Got my game face on
Got my game face on, gentlemen
Steady, yeah

I got my game face on
You better walk a straight line
