

Girl

K-Ci & JoJo

Baby I was born to give you all of my love
Baby I was born to give you all of my time
Just so we can be together
And share a love, to last forever baby(to last forever)
The best thing you gave was sent to me
That we should spend some time apart
Why did you go and do that
Baby I just came to get
If you don't want me tell me

Girl if you don't really love me
Just let me know you would see
On the way it shouldn't be
Girl if you don't really love me
Just let me go let me be
So I can find someone to love me

Ba ba ba ba ba da~a, ba ba ba ba ba da~a
Ba ba ba ba ba da~a
Why did you do this to me?
Ba ba ba ba ba da~a, ba ba ba ba ba da~a
Ba ba ba ba ba da~a
Why did you do this to me?

What kind of man(what kind of man) do you think that I am
To let you play with my heart
And what kind of fool do you take me for baby
I just won't step for it in me

Girl if you don't really love me
Just let me know you would see
On the way it shouldn't be(Ya~h)
(Girl) if you dont really love me
Just let me go let me be
So I can find someone to love me

(Girl) tell me do you want me
I got to know right know
Tell me right now-girl
(Girl) girl I've been your fool
To long for you
(And I've been waiting since) and I cant wait, no way

Girl if you don't really love me
Just let me know you would see
On the way it shouldn't be(Ya~h)
Girl if you dont really love me
Just let me go let me be
So I can find someone to love me

Girl if you don't really love me
Just let me know you would see
on the way it shouldn't be(Ya~h)
Girl if you dont really love me
Just let me go let me be
So I can find someone to love me girl
