

I really love you  
Girl I really love you  
You gonna love me  
I know you gonna love me

Don't you know that the feelings  
Are real so deep down in our souls, tonight.

Ooh wee  
Last night I wrote a letter to you  
I want you to know

Don't you know that the feelings  
Are real so deep down in our  
Souls tonight.

And you know  
I really love you  
Girl I really love you  
You gonna love me  
I know you gonna love me

Can I get a witness  
JoJo we're gonna do it this time

Can't nobody  
Ain't nobody  
Can't nobody sing like us  
Jo Jo Jo  
Sing it boy

Don't you know that the feelings  
Are real so deep down in our  
Souls tonight
