## **Hello Darlin'**

Wish that I could have you in my space Wish that I could kiss and caress your face How is it that I love you and I don't even know U Did you plant a seed inside of me, when you said hello Hello darlin, hello sweetheart She said I'm lost and I don't know my way around Hello darlin, hello sweetheart Can U please show me which way to go She said please show me which way to go If I changed my look would I have a chance Or is that I'm used to only one night stands My idea of romance was nothing more than a kiss in the wind Never could understand anything about love Till she said hello Hello darlin, hello sweetheart She said I'm lost and I don't know my way around Hello darlin, hello sweetheart Can you please show me which way to go She said please show me which to go Notice me right before your eyes Wanting you hidden love by surprise Left undone and I can't give up until were one
