

I Can't Find The Words

K-Ci & JoJo

Mmmmmm

Mmmmmm

Listen baby aa

Listen

Like a rainbow after the rain

Like a cool summer rain

Like a flower growing by the spring

In the middle of the desert

Your my oasis

When I'm tired and thirsty yes you are

You fill me up till I get enough

Your like dew drops on my face baby you gotta shake it

I just can't find the words to show you how much

I really love you more

There is no words to touch the thought of losing you

Makes me want to cry every day's a brand new day

Like an early morning sunrise

Oh baby your full of surprises

And if it ain't with you

I'm so glad God gave me you

And if I had to change one thing about you baby

I wouldn't change a thing

Don't you know that I'd give my life to protect you

Cause you brought me my dignity

I just can't find the words to show you how much

I really love you more

There is no words to touch the thought of losing you

Makes me want to cry

Every day's a brand new day

Oooo yeaaaaa a a

I,I,I,I just can't find the words to show you how much

I really love you more

There is no words to touch the thought of losing you

Makes me want to cry

Every day's a brand new day

Oooooo oooooo

Don't ever want to lose your love nooooo

Heyyy hey heyyy

You you you you
