

# I Don't Mind

K-Ci & JoJo

I don't mind what they say  
I don't mind what they think  
I don't care how they feel  
My love for you is so real

I heard 'em say I love you too much  
I heard 'em say we never fuss  
I know you heard some things too  
And that's what you heard  
Lady, it's true  
But did they say I'll never leave  
Or did they say I want to be free  
Don't let those fools take up your time  
Just tell 'em like me  
That I don't mind, I don't mind

I don't mind what they say  
I don't mind what they think  
I don't care how they feel  
My love for you is so real

I know you heard about my past  
Said I'm sorry the relationship didn't last  
I was a fool, oh a big fool  
But now I know what I need to do  
Lift up my head and I walked that mile  
I think about me, forget about my pride  
I wanna know what you wanna do  
Is it gonna be them or me and you, yeah

I don't mind what they say  
I don't mind what they think  
I don't care how they feel  
My love for you is so real

Every time I see you  
I'm just like a child with a brand new toy  
And baby I don't mind  
I don't mind, I don't mind  
And baby I don't mind  
I don't mind, I don't mind  
And baby I don't mind (What they say)  
I don't mind, I don't mind (Or what they think)  
And baby I don't mind (How they feel)  
I don't mind, I don't mind  
You give me my energy, yeah

I don't mind what they say  
I don't mind what they think  
I don't care how they feel  
My love for you is so real
