

# I Wanna Get To Know You

K-Ci & JoJo

Hey pretty lady, you look so fine  
I wanna hit the dance floor, if you don't mind  
You're the perfect honey to come and boogie with me  
I gotta get you close enough to feel your heartbeat

It's your frame that makes me lose control  
It's your vibe that makes me want you more and more  
Whatever it is girl, don't stop  
I promise I will take you all the way to the top

I wanna get to know you baby  
If it's alright  
I wanna see ya move your body for me all night  
Want you get down, want you get down

I wanna get to know you baby  
If it's alright  
I wanna see ya move your body for me all night  
Want you get down, want you get down

The time is right now, no second chance  
For you and I this is the last dance  
I know you want me, I see it in eyes, it's true  
Give me all your numbers so I can reach out and touch you

It's your frame that makes me lose control  
It's your vibe that makes me want you more and more  
Whatever it is girl, don't stop

I wanna get to know you baby  
If it's alright  
I wanna see ya move your body for me all night  
Want you get down, want you get down

I wanna get to know you baby  
If it's alright  
I wanna see ya move your body for me all night  
Want you get down, want you get down

Everybody get your groove on in this party  
Hope you ain't got nothing to do tonight  
We're about to come and rock this party right

Everybody gets to boogie up in this party  
Hope you ain't got nothing to do tonight  
We're about to come and rock this party right

I wanna get to know you baby  
If it's alright  
I wanna see ya move your body for me all night  
Want you get down, want you get down

I wanna get to know you baby  
If it's alright  
I wanna see ya move your body for me all night  
Want you get down, want you get down
