

Last Night's Letter

K-Ci & JoJo

I was sittin' at home, thinkin' to myself
I started thinkin' bout you how much I do love you
I really do, I would never trade you
Never forsake you, cause nothin' could be better
That's why I wrote you this letter
I love you always lady

Last night I wrote a short letter and it went this way
Dear baby I love you, just thinkin' of you, love always

Now I know I could've called
But it seems much better this way
Cause I'm missin' my baby
I'm so blessed you're my lady, lady
Now you know I can't wait till tomorrow
When you in my arms again
Holdin' and kissin' doin' the things we love to do
But till then

Last night I wrote a short letter and it went this way
Dear baby I love you, just thinkin of you, love always

Oh baby I love you, I love you, I love you
There's nothin' that I wouldn't do
Just to prove that I really, really love you
Baby I want you, I want you, I want you
And there's nothin' that I'd rather do
Than to love you, I love you always
Every night and every day
