

Just like a birdie  
I just wanna fly free  
And own a piece of land  
Somewhere, somewhere off in the country  
Oh, oh yeah, listen

Temperature's like a hundred degrees  
Like I got chains on me  
Blackmail and a family of three  
Been right on my destiny  
Rake it out fly way  
Cuz it's too much for the man  
Shouldn'ta gone down this way  
What happened to my master plan  
Cuz I can't figure out  
I coulda been a love child  
Shouldn'ta gone down this way  
Tell me, how did I get life?

Life, life  
Life, life  
Life, life  
Life, life

Oh, somebody done done me wrong (Done me wrong)  
My eyes to the ceiling all night long (All night long)  
Time is slippin' away from me (Away from me)  
And it ain't no tellin' when I get home  
I gotta get home, yeah

Just about to see the dollar sign,  
thats close to a piece of mind  
and everything was about to be fine  
So tell me, so how'd I get life?

Everything that I hoped for is gone now  
Buried in the ground  
Hopes and dreams and all those things  
I'll never see, said I'll never see  
(Somebody gave me life)
