

# Say Hello To Goodbye

K-Ci & JoJo

I drive you out yo mind  
I told you this before  
I made you my everything but baby  
You still wanted more  
And now you're feeling crazy  
Wanting just it let it go  
And we're the reason why  
Why we lose control

Always getting', no apologizing  
Not realizing that we

I'm saying hello to goodbye  
I don't wanna hurt no more  
I'm saying hello to goodbye  
Cause it ain't gonna work no more  
I'm saying hello to goodbye  
Goodbye, cause we cred  
Let's cry, cried for the very last time  
I'm saying hello to goodbye

See I appreciate what we have  
Btu we went from good o worst  
From better to bad  
Said I'm tired, tired of wanting'  
I is nobody's fault  
Love was leading the way  
And somewhere we got lost

Always getting', no apologizing  
Not realizing that we

I'm saying hello to goodbye  
I don't wanna hurt no more  
I'm saying hello to goodbye  
Cause it ain't gonna work no more  
I'm saying hello to goodbye

There's no more pretending  
No more  
No fairytale ending no more  
But we gave it our best  
But our best wasn't good enough  
For love, for love  
Keep it together, together  
Forever and ever, forever and ever

I'm saying hello to goodbye  
I don't wanna hurt no more  
I'm saying hello to goodbye  
Cause it ain't gonna work no more  
I'm saying hello to goodbye  
I'm saying hello to goodbye  
I don't wanna hurt no more  
I'm saying hello to goodbye  
Cause it ain't gonna work no more  
I'm saying hello to goodbye
