

# Tell Me It's Real

K-Ci & JoJo

Tell me it's real  
The feeling that we feel  
Tell me that it's real  
Don't let love come  
Just to pass us by  
Try, is all we have to do  
It's up to me and you  
To make this special love  
Last forever more

Baby you told me that you love me and you'd never leave my side

Through the bitter end through the thick and thin  
You promised me baby that you wasn't going anywhere, yes you did  
Baby keep it real let me know just how you feel

I can't explain the way you make me feel  
Everytime you tell me that you love me  
And you know you did so many times  
Just when i thought that love could never be a part of me  
That's when you came along  
And showed me happiness  
Baby you are the best  
I think you're different from the rest  
I really love you

Tell me it's real  
This feeling that I fell  
Tell me it's real  
For your love  
I will do anything
