Wanna Do You Right

My lady my lady listen I'm been doin' you wrong for so damn long But now I want to do the right thing for you lady I can't live like this no more I've gotta get you back some how some way Please come home

I've been doin' you wrong girl For so damn long girl Now I'm singin' this song girl 'Cause baby I want to do right

I've been doin' you wrong girl For so damn long girl Now I'm singin' this song girl 'Cause baby I want to do right

Listen

Time goes by we grow apart But now I've had a change of heart Please believe me There's no smile upon my face.. no no no no no 'Cause I know the truth is standing right in front of my face

I've been doin' you wrong girl For so damn long girl Now I'm singin' this song girl 'Cause baby I want to do right

I've been doin' you wrong girl For so damn long girl Now I'm singin' this song girl 'Cause baby I want to do right

No I can't lie No more No I can't cheat No more No I cannot play No more Baby I just can't No more Baby I want to be the man that you need Girl can't you take me back Baby baby please

If you don't take me back I'll understand Yes I will Yes I will It's only my fault 'cause I was not a real man I'll do the very best I can Oh yes I will Raise my hand to god I won't Never love another I would never cheat again baby K-Ci & JoJo

I've been doin' you wrong girl For so damn long girl Now I'm singin' this song girl 'Cause baby I want to do right

I've been doin' you wrong girl For so damn long girl Now I'm singin' this song girl 'Cause baby I want to do right
