

A Sleep With No Dreaming

k.d. lang

A hundred thousand reasons why I should walk away
A hundred thousand more make me stay
I'm standing in the shadows of this desire
The longer I wait, the more I'm a liar

I can't help but love you, you know how I am
You're the only dream I understand
But I forgot you while I was sleeping
A sleep with no dreaming

You know how I love you, it's just how I am
You're the only dream I understand
But I forgot you while I was sleeping
A sleep with no dreaming
