

## Curious Soul Astray

k.d. lang

As a child my dreams ran wild  
Through fields of disobey  
Wandering, wandering  
Wanting it all  
A curious soul astray

As a child my heart ran wild  
Through fields of disobey  
Loving and laughing  
And longing to fall  
A curious soul astray

I ran with a passionate story  
I ran for the wisdom and glory  
Away, away I ran  
As a child my dreams ran wild

Through fields of disobey  
Wandering, wandering  
Wanting it all  
A curious soul astray

I ran with a passionate story  
I ran for the wisdom and glory  
Away, away I ran  
As a child my dreams ran wild

Through fields of disobey  
Wandering, wandering  
Wanting it all  
A curious soul astray

As a child my dreams ran wild  
Through fields of disobey  
Wandering, wandering, wanting it all  
A curious soul astray
