

Extraordinary Thing

k.d. lang

My ordinary days
are spent inside the maze
of never changing ways

such ordinary days
my ordinary spin
showed itself again

it never seems to end

then you came waltzing in
waltzing in
i'm falling...
i'm falling in
i never knew
the likes of you

extraordinary thing
i do believe
you are indeed, an extraordinary thing
my ordinary game
predictable and plain
has never been the same
since you came waltzing
waltzing in
i'm falling...
