

## Habit Of Mind

k.d. lang

I've lost my edge  
It's left the building like Elvis, I guess  
Oh, I, I've spent most of my life  
Running in circles  
It's a habit of mind

What a shame  
To blow your nest egg  
On might-have-beens  
Oh, I spent most of my life  
Going in circles  
It's a habit of mind

But this time  
I'm going to keep still  
Stay here until  
The truth can unwind

'Cause one of these days  
One of these days  
I'll find it  
'Cause one of these days  
One of these days  
I'll find it

I spend most of my life  
Going in circles  
It's a habit of mind

This time  
I'm going to keep still  
Stay here until  
The truth can unwind

'Cause one of these days  
One of these days  
I'll find it  
'Cause one of these days  
One of these days  
I gonna find it

One of these days  
One of these days  
I'll find it  
One of these days  
One of these days  
I'll find it
